“ My name is Donna Wallenmeyer. My dad was her brother in law Don. I'm so sorry to hear of her passing. She was such a compassionate person. Even though we live at a distance she always called me when she and Uncle Monte. come to visit Grandma Louise. We had a lot of good talks together. She is now with the love of her life. I will not be able to attend her service, but my mom and I will pay our love and respects to her through prayers for you and your family. Hopefully we will be able to make it to the cemetery for Christmas . Again I'm so sorry for you're loss.
