“ I worked with Leigh at Sears in Saint John. I remember him as a happy good-natured fellow. I retired in 1994 so did not see Leigh often, only on an occasional visit to the McAllister store. I didn't know he had moved to to the US. I met Cecil Scullion in the Superstore in Sussex today and learned of Leigh's passing. My condolence to Leigh's family at this sad time.

“ Dear Beverley and Family,

*We are very sorry for your loss of your husband, Leigh. Our thoughts and prayers are with you and your family. Please accept our condolences. Leigh was like a brother to me, growing up biking , playing baseball and just hanging around the house in the South End of Saint John, N.B. He was always known for his deep hearty laugh...you sure knew he was there even before you saw him.*

*The last time we were with Leigh, in 2009, it was as if time had waited for us. He seemed the same kid that I knew from way back when. He certainly was " One of a kind  
He will be missed by all who had the privilege of knowing him.*

*My sincere condolences to Leigh's Family for your loss. Leigh was always cracking jokes and had a great sense of humor. I will never forget that contagious laugh. We spent many a day at the rink watching kids play hockey. I worked with Leigh at Xerox for many years where everyone loved him. Rest in Peace Leigh. Connie & Wes Vanwart.*
