“ *not much of a memory to share but he was the kindest and the most attentive landlord we ever had back in the 90s. Any time someone says they need to find a place to rent, I always have told them about Leonard, even after he managed the apartments.*

“ *Leonard would come over to KY Lake with his friends and stay several weekends throughout the Summer months which is how we met Leonard several years ago.*

We quickly became friends with him, which was so easy due to his sweet and caring personality.

It was so obvious he was a kind and generous man, with a loving heart.

We considered Leonard part of our "Lake Family" and just thought the world of him.

We will always cherish the memories of sitting on the boats talking about gardening and vegetables - taking trips to go eat- and bobbing in the water on those hot summer weekends.

He will be greatly missed.

It was truly a blessing to get to call him our friend.

Our condolences to the Family and Friends of Leonard.

May he rest in peace.
