“ I entered this Thursday and didn't press the share button. I was in the hospital last week and was fortunate enough to have Bill Haman as my roommate. I have known Bill for 50 years. We had a good time talking about old times, and old friends. I never heard Bill say anything negative about anyone. Mike and Teresa came by daily. After they left one day, Bill said " Jim, I have the best daughter-in-law in the world. I love her very much, she has always cared for me". I agreed, as I could see it when they came. I left on Monday and told Bill I will be joining him for coffee at Burger King, he said it will be a while, I'll be there. I am so blessed spending time with Bill at the end of his life and I will never forget him. He was a gentleman's gentleman. Rest In Peace Bill Haman

“ Our sincere condolences for your loss. Pops was without a doubt one of the most gentle kind men I ever met. I do have some very precious (and funny) memories of him. May God comfort you in your great loss.

“ So sorry for your loss. I had the honor of sharing time with Leslie and always looked forward with great anticipation to our encounters. I told him once that I so enjoyed our conversations because he always inspired me to be a better person. He is loving and kind like no other person I have ever met and I will miss him deeply. I will keep his family lifted in prayer as you go through this time of grief. Thank you for sharing your father with me.
