“ I met Les and Kevin when I was a teenager. They where the first good BFFs of my life. We rode bicycles, skipped school, triple dated, and rode around in Kevin's Chevelle--sometimes misbehaving. I Even married their cousin! I regret we drifted apart after I joined the Air Force; but the many adventures we shared still bring forth a smile in my memories.

“ Dear Kelli and kids. We cherish the years we were neighbors and glad Les and Bill kept their friendship going after the moving. If it wasn't Les helping Bill with something, it was Bill helping Les. He is deeply missed.

Praying for you,
Bill and Pamela McGhee

Les, I remember when I first met you when I was married to Dale. You were always nice and polite to me at first then as we got to know each other we loved to aggravate each other. I'll never forget me having to pay you \$25 for guessing that I was having a boy and not another girl. You truly were a good friend. RIP
