“ *Granny was my great-grandmother. I have never met anyone like her. She helped me become the person I am today. I am so lucky that Granny and I could spend so much time together. She was the most inspirational, amazing, strong, honest, and caring person I have ever met. She had a heart for God and it brought me closer to him. She touched my life and so many others. The world is a better place because of the life she lived, and the people she touched. I will always love my Granny.*
