“ Dear Cousins: Our thoughts and prayers are with you in this time of sorrow. Times like this are tough to take, but we need to remember our time on this earth is only a small journey toward the eternal rewards. Everyone take memories of your mom and grandmother with you from these days of honoring and burying her and remember the good times and care and love that she had for her family. We will not make it for the visitation or funeral. Mom (Aunt Helen) turned 89 in April and just does not get around too good. Everyone be safe in your travels and know that our prayers and thoughts are with you. Ed Pratt and Family

“ Granny, I just wanted you to know that I love you very much. I sit and think about my childhood with you in it and I realized that no one will ever again call me "Addy". You were the only one I allowed to call me anything but my name. Even though you won't be around to call me that anymore, I will always be your little Addy and you will always be my Granny. We will get our chance to play another round of bingo, so until then, just know that I love you with all my heart.
