“ We will miss Miss Linda so much. Now an angel in heaven after being an angel on earth for our family and many, many other families. We are thankful Miss Linda was part of our lives for the past 5 years. We are sending our love to Mr. Gene and the whole family. This is a profound loss but aren't we all so lucky to have loved someone so much that it makes saying goodbye so hard. ❤️

With love,

I enjoyed spending time with Linda & Gene at their beach condo. How smart they were to sell it just before hurricane Sally hit. Miss you both.

Will always be grateful to Linda and her mom, Ida, for the great childcare they provided Brett when he was young. He loved going to Miss Linda's in the mid 90s. They provided love, safety and learning to him and lots of other children. Hugs and prayers to the family.

We are so saddened by the loss of Linda. She helped raise our son. She was always so cheerful when dropping our son off to her and we could tell her and Gene provided the best loving environment and care for our son. We will miss her so much. She was a beautiful soul.
