“ Linda and I were friends in high school then as we got older. We spoke often on the phone. We were pretty far from each other but every call brought us closer for a while. Even after graduation we connected once she moved to Houston. We had good clean fun. I really miss talking to her on the phone and often wished we could see each other again. She was a good friend. “ To Lane & Lee: We are saddened today to have seen this notice of the passing of your mother. Don't know if you will remember us, but we are Scott Burnette's mom & dad; Lane, you & Scott spent several days playing together in your younger days & I remember what a nice young man you were & your parents were awesome. I think I was around them a little more than Larry; and was very fond of them. I know you will miss your mother; nothing was said about your dad & I don't recall ever seeing any messages he was no longer with you so I will have to assume he is not. Larry & I both have had to part with our parents and it's never easy regardless of age. Just know you are being thought of & love being sent to all your families.

Sincerely, Larry & Harryette Miller Burnette (Scott Burnette's parents)
