“ My heart goes out to you Greg, Tara and your grandchildren. I was so saddened to hear on your loss. I have such wonderful memories of Lisa. I got to know her through Claudette when I moved to Cape from Iowa in 1984. Even though we only lived in Cape for 20 months we got to know Lisa quite well as we went on picnics and creeking together. We especially remember one outing when we were all exploring a creek bed and came upon a woman who said to Lisa, well, who are you? And Lisa replied, Well, who are you? Right back at her? You had to be there but it was so dang funny. I enjoyed a wonderful weekend trip to Hannible with Claudette Lisa, my daughter Katie and Claudette's daughter Michelle. We always made a special point of trying to see Lisa when we visited Cape through the years. Lisa was one of the most kind, generous and sweet persons I have ever met. A great teacher, mother, wife and Mimi. I know her loss has left a huge hole in your hearts as I feel it too. I hope you find comfort in all your precious memories of your wonderful Lisa, she was a treasure to all who knew her.

I am wrapping you up in love, support & hugs,

Greg and Tara,
My prayers are with you as you go through this time of sorrow. Lisa and I attended the same high school, college, and then worked for the same school district for many years.
We shared many great conversations and lots of laughs. She was a swell person and friend. I will truly miss her.
Sorry that I will not be able to come tomorrow,. I just had a full knee replacement.

Greg and Tara,
Mom and I were so shocked and still hard to believe, I was sending her a birthday wish and post on Facebook when I read the other comments. We will miss her dearly, we loved her. I have always been reminded that she pointed out on one of my pictures when I was a youth that I had my shoes on the wrong feet. She had a wonderful sense of humor and a great personality. We will always think of her and we will be praying for you and Tara and the rest of the family.

Mrs. Mosby was my 3rd grade teacher in DeSoto, Il her first year teaching (Miss Wilson) I became a teacher because of her. Everyone from that year still consider her our favorite. I am so sad to see that she has passed away. She truly made a difference in this world.
