“*"Bain" added so much to the faculty at Scott City Elementary. I worked with her in the '60's a short time before she retired. Her energy and good sense of humor kept us all going strong. She was missed when she retired and even more so now. I am sorry for her family's loss. She has left some wonderful memories for all of us. I am glad I got to share in some of those memories of her and her family. Jean Graham Kindergarten*
