“ To Roberta and Robert and your families,
How wonderful for your mother to hear the angels say, "Welcome Home."
Just as she once held you warm and secure, so now is our Lord holding her in the circle of His arms. What a comfort!
I so enjoyed our time together in Faculty Dames. Loved to hear your mother laugh.
I remember your dad also. How wonderful that they can once more be together.
God's love and mine,
Jeanine Hager

“ My daughter, Heather, worked for Lois for several summers teaching swimming lessons. Those memories were highlights of her childhood. May you rest in peace. May GOD give your family peace thru this time.
