“ Ron, Coach and the rest of the family, I am sorry to hear of the passing of Lonnie. I remember him as the little brother that always wanted to go out with Ronnie and me when we were in high school. Some times he did ride with us-great memories. He was a good kid and I am sure grew to be a good man. My sympathy to all in this time of grief. Grace to you. Bill

“ We are so sorry to hear of Lonnie's passing. My first memory of him is when he took me on my first ride in a convertible when I was a little girl. I think we went down Snake Hill. All our love. Wendy, Karl, Katy, Keenan

“ My deepest condolences Hag, Butch and all the family. We shared so many experiences growing up together as neighbors and classmates from Trinity thru Central. I was so glad we reconnected last summer after too many years of absence. It was like we'd never missed a beat. God Bless and rest in peace my friend.
