“ We are sorry to hear hear of Lorelei's passing. Karen remembers going to see Billy Jack at the drive-in with Lorelei and Jim (not sure if she was the chaperone.) I remember Lorelei's hospitality when I stayed with her in Houston while attending a science conference. We all remember the many holidays spent with the Schwartz family in Cape.

Love to all the family from Sara, Karen, and John.

“ Sorry to hear about Lorelei! We shared some nice memories in high school. Lori, Amelia and I had some fun, hanging out days, in those carefree times. And I was fortunate enough to escort her to my senior prom. Special sympathies to her Sister, Janet, who I know as well!

“ I like many of the boys in our class who wanted to be friends with Lorelei, were not as lucky as I was because I considered myself a dear friend. I still remember where she lived. Gene may have taken her to the Prom but Lorelei and I did a lot together and I really enjoyed her company way back then. She will truly be missed! God Rest Her Soul!
