CR

“ It was an honor, and such a blessing to get to know Mr. & Mrs. Hollman when they offered to volunteer during Operation Christmas Child's National Collection Week at St. Andrew Lutheran Church in Cape Girardeau. They spent an afternoon at the relay center, in November 2008, sitting at a table with other unpaid servants, filling shoe boxes with candy and toys that would be soon sent to children living in desperate situations around the world. Mr. Hollman told me all about his work, and we laughed about his engineering expertise being needed to make everything fit into the shoe boxes just right! May all of you sense His peace and love.
