“ *Lori and I worked together at Walmart. Lori was the nicest person you'd ever want to know! Lori and I often talked about her children, I know Austin as we worked together for a time. I was always fascinated by all her children she had, and that all their names started with the letter "A"! Lori always looked perfect no hair out of place, makeup perfect. I always said you look so young for having that many children. She loved her husband and all her kids so much! I was shocked to hear of her passing. My deepest sympathy to all her family! Lori was a very special friend! Sincerely, Jane Kraus*

“ *I'm so sorry for the families loss. I spent years with Lori as a good friend. We would stand in the parking lot and talk until 2-3 in the morning, after work. We had so much fun. I loved her like family. I'll miss her immensely. 💔*
