This. His beautiful mother, Candace, who was with him through every step of this incredibly tragic journey.

PS

Not sure why the biological mother wasn't on there to begin with?? But that should probably be added on here. Sorry for your loss and all the heartache going along with this Candace. Much love.

How can you not include his mother? How awful can you be?

The bond between mother and son lasts a lifetime. The bond between mother and son is a special one. It remains unchanged by time or distance. It is the purest love, unconditional and true. It is understanding of any situation and forgiving of any mistake. Love and sympathies to Lowgn's mom Candace💔

Thank you for recognizing his mom, Candace. It's amazing how, even in death, hearts can be so cruel.

What a shame to come on here with the sole purpose to throw stones and then praise Candace. Has anyone asked her where she was throughout his childhood/teenage years? No, I assume not because I assure you, there is a lot more to this than the picture that was painted for you. This behavior embarrasses me for Lowgn. He was good to his core and I'm certain he would hate all of this fighting. Just stop. It is a horrible tragedy that has happened and MANY people adored Lowgn, myself included. I pray you are at peace, Lowgn Shay.

Lowgn loved his birth mother, Candace, his father, Shawn, and his mom, Dana. Along with all of his brothers, grandparents, aunts, uncles, cousins, friends, and even strangers. Anyone who really knew Lowgn, knew that.
