

Mac McDonnell

June 3, 2010

Mac D. McDonnell passed away early on the morning of June 3, after suffering complications following congestive heart failure. Mac was a copper miner, an archeologist, and a much loved local character in Cape Girardeau. Quick with a joke, a story, or flirtatious banter, he enjoyed spending time with his friends, both young and old. He was admired for his wisdom, and he was known for his generous heart and the love he had for his family and friends. He is survived by his sister Sandy, his son and daughter-in-law Guy and Kim (Lease) McDonnell, his grandsons, Scott and Derek, and his daughter Rhonda McDonnell. He was preceded in death by many he deeply loved, particularly his wife Ruth, whom he missed for eight years and has now rejoined. Those who would like to remember Mac are invited to join friends and family at Buffalo Wild Wings from 11-2 on Sunday June 6. In lieu of flowers, donate to St. Labre Indian School, Educational Association, Ashland, MT 59004-1001.
