“ *I knew Kinzie through J whom I met through the FOCUS veteran support program nearly four years ago. Back then, at the tender age of 23, she displayed wisdom, strength, dedication and support well beyond her years. She already had a legacy of standing by her "grunt" even then. During J's initial convalescence from his critical wounds in July, 2010, Kinzie stayed by his side encouraging her "grunt" to fight on, and she stayed in the fight with him by his side every excruciating step of the way. At that time she was only 20 years old.*

*Thanks to Kinzie, J's path to recovery was set in motion.*

*Kinzie, you will be missed by all who knew you.*

“*MacKinzie thou I was privileged to meet you twice, once at Jefferson Barracks, and once at Sackman Center it was very obvious to me that you are a gentle, loving, caring person that accepted a huge amount of responsibility, and you were taking care of those responsibilities in an outstanding manner. The Marines of the Robert Windle Detachment #1031 of Jerseyville, Il were looking forward to you and Jay attending the Marine Corps Ball with us on November 10th of this year. Knowing you have never attended a Marine Corps Ball and your desire to attend, we will pause for a few moments of remembrance this year. You will be there!!*

*You are in Heaven now with our Lord, my prayer for your family is that God will give them strength to sustain them in this most difficult time. May you and your family have peace and rest.*
