“ Sarah, I've thought of you so often after hearing about your tragic loss. Recently I got out some photos from Madison's Kinderhaus days. One picture of Maddie and Hayden dressed up for Halloween is especially sweet. He is Scooby Doo and Maddie is a beautiful princess with a glowing smile and a twinkle in her eye. seems like yesterday.

“ one time me and madison were cheering together and for some reason she became very overwhelmed and started hyperventilating, so I took her out of the gym and went to the bathroom with her to calm her down. I remember telling her to just breathe and everything was gonna be okay, she calmed down, gave me a hug and then we went back to cheering. madison had such an amazing personality and I cannot believe she is not on this earth anymore. I am so sorry for her family's loss, she was one in a million
