“ She used to be the tablemate of a friend's mom. I would come feed my friend's mom when my friend was out of town. Marcella was full of advice on how to get my friend's mom to eat and was so sweet. When my friend's mom moved away I kept visiting Marcella because she was such a wonderful lady (before the pandemic, of course). So sorry for your loss.

“ To the Click family, I will never forget your family. Your parents and all of you were so very sweet to me when I worked at the nursing home with Aunt Edna. Then I have gotten to see your family through The Medicine Shoppe. My thoughts and prayers are with you all.
