“ I am sorry that I am just hearing of the passing of my dear friend. Marcellus, we were only kids when we first met. I'll never forget the big hugs and the kiss on the cheek every time that I saw you. One of the kindest, sweetest people that Ive ever known. I wish I had known the last time that I saw you. I would have hugged you a little tighter, stayed a little longer. You touched every heart that you came in contact with. You will forever be in my heart. RIP Bear💙

“ *Memories of You*
by Unknown

*We remember everything about you,
your voice, your smile, your touch,
the way you walked, the way you talked,
the way you were, meant so much.*

*We remember all the words you said to us,
some funny, some kind, some wise,
all of the things you did for us,*

We see now with different eyes.

*We remember every moment we shared,
seems like only yesterday,
or maybe it was eons ago,*

It's really hard to say.

*You are gone from us now,
but one thing they can't take away,
your memory resides inside our hearts,
and lights up our darkest days.*

With our deepest sympathy. Love you nephew (Ryan)! You are all in

our prayers.

“ *I probably met Marcellus a dozen times but always, always he had the most infectious smile and genuine personality that one could encounter. The last time I remember seeing him was at The Southern by Tractors restaurant. He was flashing that million dollar smile at everyone and it was easy to tell that the customers were really enjoying the positive energy he brought to a room.*
