“ Dear Dalton and Family, I am deeply sorry to have just read of the passing of your dear wife, Maretta. She was such a nice lady and always so gracious to me. I could always tell how wonderful the love was between the two of you. Dalton, I just hope and pray that you will be find comfort and much peace in the memories of all the precious years you shared together with one another. I also remember how lovingly you and Maretta spoke of all your children. You have much to be proud of in raising a fine family. I remember you both fondly when you managed the apt. building that I lived in at 2843 Whitener; you were the BEST MANAGER that I ever dealt with; you ALWAYS came to my aid whenever repairs were needed and I have always respected you and your wonderful ability to repair everything that needed your skills. My mother, Juanita, also sends her condolences to you and your children and grandchildren. I will always consider you a friend. Take care of yourself; Maretta would want that MOST OF ALL. Most Affectionately, Lynne and Juanita Loveless
