“ What an amazing person Jenny was, so many wonderful memories and stories. She was one of the hardest working people that I have ever had the pleasure of working alongside. No challenge was ever too large for Jenny, and she accomplished them all while smiling and wearing heels. She always had a story and a kind word to say. They truly don't make people like Jenny Briscoe any longer. I love you Jenny, and you will be missed and always remembered.

“ I’m so thankful you were there the day I started my new job. 9/14/2001. It was your birthday. You were a blessing to a very overwhelmed new employee. We found so many things in common, and our past work places, experiences and our dear friend Kelly Pelts.

Your personality, style and ALWAYS looking your best made such an impression on me.

My sincere condolences to your family.

Jenny Briscoe, you were very special, I was blessed when our paths crossed.
