“ Mrs. Spear Heaven has another Angel now! Thank you for always being so kind to me all of those years when Kenny and I first started working at El Chico! I would always call to talk to him and you were so SWEET! Melody would take me and Kenny to work at Woodards since neither had a ride. I love your family so much and I am praying for them for their loss of you and my dear life long friend Kenny! I nicknamed him Budda I loved him so much and miss him so much! When you see him tell him I love him and will see him one day in Heaven! Fly High Angel
