“ Denny - My name is Kaye and I worked with your mother at the Southeast Missouri Mental Health Center in Farmington. She and I became friends and enjoyed many activities together. I remember meeting you several times when your family lived in Fredericktown. I will cherish the fond memories.

“ Denny and family...my name is Kacie and I met your mom here in Lake City, Fl. She was a very special person who was a member of our "HUGGS" girls dinner group. Your mom was always the person you could go to and get things done. If she didn't have the answer, she would find someone who did. She worked hard, wrote books and always knew what she wanted and how she wanted it done. She will be missed and always remembered by the many friends she acquired here in Lake City and everywhere she went in her lifetime. So glad my family met and got to know her. Angels are with her and all of you on this Easter Sunday

“ Denny, I was so surprised to learn of your Mother's passing. I wish I had known she was at your home, I would have come to visit if she would have wanted to see me. I saw her maybe the last time she was here in Farmington visiting several classmates and friends. We go a long way back, in high school, etc. but I remember our GOOD TIMES. I would appreciate being notified of grave side services. (I would very much like to visit with you a short time)

My sincere sympathy and love to you.
