“ I was just thinking of Marilyn the other day! I met Marilyn and Brad at American Family Insurance in Jackson when I first moved to Missouri. She was always ready with a smile and conversation, I used to drop in just to see her when I was close by. I am so sorry for your loss, my condolences to the family.

Great photo of Marilyn. Such a sweet lady who took such GREAT CARE of her mom all of her life. I have so many fond memories of visiting w/Marilyn and Aunt Blanche when I was a kid. She was a great cook and I remember seeing her in her back yard (in town!) butcher a live hen, cook it and we ate it for lunch.....

Later when my daughter Courtney was born, Marilyn would see her at church and ask how her "sweet pea" was doing....

Such a kind, caring person; I'm glad she's reunited w/her mother again and will live forever w/her Lord and Savior.
