“ Pam and Tammy, I always admired your Mom, she had such a big heart and was always so caring and courageous to tackle anything thrown at her. That trait carried on to her three daughters as well! My thoughts and prayers are with you and your family. Kim Hager Train

“ Marilyn was on my mind all day Sunday. Monday I was going to call but thought she was having dialysis. My heart is aching for her and her family. We were best friends in high school and were in card club together for many years. Life is short and unsure. Reach out to those you love today. May her family find peace knowing she is at rest and is in the greatest place ever. Thoughts and prayers . Sherri
