“*Oh my Marilyn, she holds a special place in my heart. I met her a little over a year ago when I first started working at Ratliff. We didn't know each other for very long but I am very thankful to have met her. She was my sidekick, she kept me in line she was like my work mom, my reason to come into work everyday. Marilyn was a very hard worker who was loved by everybody. You are greatly missed. Until we meet again Marilyn King I love you*”

“ *I am so sorry to see this! Marilyn took wonderful care of my mother for several years at Ratliff. We both came to love her. She was so patient, kind, and caring. We talked a lot during lunch while she patiently fed my mother. She was so proud of her grandchildren! I am so sorry for your loss. I pray your wonderful memories of her will give you some piece and comfort.*
