“ Dear Vonda and family, I was in Cape Girardeau in June with my oldest granddaughter and actually drove out past our childhood homes, so many memories and wondered that day about your mom and dad. I'm so sorry for your tremendous loss and I hope that your joyful memories will fill your heart with comfort in your grief. Please know that you are in my thoughts. Lori

“ Hello, I saw the notice of Mrs. Franklin's passing in the paper this morning. I don't personally know your family but I wanted to share with you that I met Mrs. Franklin at a softball field on a hot summer day last year. We sat beside each other while watching a game for her granddaughter and my niece. She shared so many memories of her life with me as we visited back and forth that day. When the game was over, I was pleased that I had the opportunity to speak with her. Please know that she was so fond of her family as she spoke much about you while sharing with me. God bless you during this tough time! Have peace in knowing that you will see her again someday!
