“Marilyn had kind eyes and such a warm smile. I always enjoyed talking to her at the fair and reliving our 4-H memories. Our thoughts and prayers are with you all.

“As a childhood friend of Marilyn, I will always have fond memories of her. My sister Gail Avery and I grew up on Henderson Street in Cape with her and her family. We spent many happy hours playing together and producing "shows" which our parents were forced to watch and applaud for. Her loss saddens me, and she will always be young in my memories. “ *Marilyn and I grew up together. My mom and Dorothy were good friends, so I remember her as being one of my first friends. We played, fought, argued, and made-up through out our childhood. We would talk at times as we got older, and I am glad to say she called me last year. We talked for over an hour catching up on each others' lives. She loved her family and was very proud of her boys. I extend my deepest sympathy to you all. She was a lovely lady and I will always remember her with a smile and warm affection.*
