“ Steve and Lynette,
I am thinking of you at this time. We had a lot of good times together, especially when I babysat you two! I enjoyed spending time with Marilyn after you were grown, and have such good memories of her. Prayers for your comfort and peace are being sent your way.

“ Dear family,
Marilyn and I knew each other through our many years spent volunteering at the Cape Girardeau Senior Center where she was a fixture for 10 years and more. If there was a dinner or event held there to improve the golden years of area seniors, Marilyn rolled up her sleeves and jumped right in to help or participate. I recall many an afternoon admiring her paintings that she worked on there with other like-talented friends. She was very talented. Her legacy in later years was helping others. May God bless and comfort her family and friends in the loss of Marilyn.

I'm so sorry to hear of Marilyn's passing. She and I worked together at Century 21-Key Realty. One weekend when she still lived on Woodhaven about 6 of us spent a 'spa' weekend there and went to the Cape Girardeau Country Club for Saturday night dinner. It was a fun time. After neither one of us sold real estate we would, from time to time see each other out. Just so sorry for your loss. Prayers for Marilyn's family and friends.

I attended church with Marilyn and she led our missionary meetings. I came to care. Deeply for her in the three years I have known her. I will miss her so much. Please accept my sympathy in your loss. She will be missed by many.
