“ I worked for Marion from 1962 thru 1964. While I as in high school. I moved away from Cape in 1964. When I passed through Cape I stopped to see him at his home. He taught a lot about business and dealing with people. He was a good man Thanks Marion JiM (ReD) Kuehn

“ I met "Coby" when I was about 8, I remember sitting around his shop and listening to my dad and uncle's and Coby telling stories. And when I was 18, I took my 1971 Malibu to him to see if he would hop up my motor for me. He gave me stern butt chewing about how he would not do that, because he didn't want to see me get in trouble. I will never forget all the bass fishing knowledge he passed to me. He was the last of the good guys.
