“ Fred,

I am deeply sorry to hear about your mother. I will always remember her happiness at greeting me at your front door when I would come over. She was always an uplifting person to me.

Call or send an email sometime.

“ Marge was the most delightful sister in Christ and Sister in P.E.O. that anyone could hope to have! She kept us in stitches in Chapter EY, P.E.O. She loved her bling! When we had our annual silent auction, there would always be some outrageous piece of bling that she would bid on and get and then proceed to wear to our next meeting! Her sense of humor and insights into others led to open and honest conversation. Always kind and generous, humorous and empathetic, she will be missed by many. Her immortality lives on in those of whose lives she touched over the years!

A Visit with her from church or P.E.O. was always special. During our most recent visit, she showed me her make up table and bling box. She loved The Upper Room. I shall miss her so very much!
