“ Dear Jane and Family, I was deeply saddened to hear of losing my lifelong friend Mark. As you know Mark and I have known each other since junior high. Even with me moving off to Houston Texas years later, Mark and I remain friends all these years. Mark was the type of person whom he had left lasting impressions in people's hearts and in their life's. Cindy said Mark has a great soul, making us laugh and keeping us laughing, as if he had to make our last get together a cheerful departure. When he talked about his travel to Switzerland with us and how you had been by his side the whole time, looking at you his beautiful wife, you could see the special love, compassion and friendship you had shared with each other. I am so sorry for your lost too. Now as Cindy and I sit here to write you this letter with all our sympathy of losing an amazing friend, your husband, father of your children, a brother, and a son we want to let you know that this is a celebration of Marks heavenly life, Mark is home with his heavenly father, he will greatly missed here on earth. Yet we have an angel watching over us. We have our memories that will always stay in our hearts, in our minds and the smile Mark has put on our face when we think of him. Jane you and the family are our friends too and we are here for you any time. Please come and visit us in Houston and of course we will come see you when we come to Missouri. We pray that you and the family will feel Gods comforting arms surround you, hold you in your time of need. Please know that the bible says it is a passing from earth to heaven, it is a separation of the body and soul. Mark's soul lives. Marks soul and spirit will always be with us. The memories will always be cherished. We had so many great times, the summers at the lake house, racing cars, skiing in the lake, some of the best times ever. Thank you Mark for being in our life and for being an awesome friend. We will miss you. In Peace and Love, Jack and Cindy

“ I just wanted you to know that I worked with Mark at the City and thought that he was a wonderful man. He had a sense of humor that was awesome, and always had a smile on his face. He will be greatly missed by lots of people. I am praying and thinking of your family in this hard time. Just remember all the great time you all had together. Mark may be gone but he will live in your hearts forever.

“ Please accept my deepest sympathy for I too know the pain of losing someone you love. May your family find comfort as I have in knowing that our loving heavenly Father promises us that very soon he will 'wipe out every tear from our eyes, and death will be no more.' (Revelation 21:4) What a wonderful day that will be!
