“ Mark saved my daughter Gayle when she jumped into a pool at Johnson shut ins and I wasn't strong enough to push her out! This was huge but what I often recall is Mark walking into my garage with 2 year old Gayle in one arm and her clothes in another. At that age she hated clothes and I had walked into the garage briefly which apparently was her cue to strip. Thankfully Mark scooped her up and brought her straight to me. So, really, Mark saved my daughter twice for which I am eternally grateful.
