“ I knew Mark when he lived in Whitewater and taught at Delta. He was always kind and friendly to me. I did not know him well, but I could tell he was a really nice man. My sympathies to Clark and to the rest of his family and friends. May God bless you all. Mark will be missed by the many people whose lives he touched.

“ Please accept my deepest sympathy for I too know the pain of losing someone you love. May your family find comfort as I have in knowing that our loving heavenly Father promises us that very soon he will 'swallow up death forever, and wipe away the tears from all faces.' (Isaiah 25:8) What a wonderful day that will be!

“ So sorry to hear of Mark's death. I enjoyed teaching with Mark at Delta, but we lost touch after he started at the post office. Clark, my heart goes out to you and your family.

“ My heart goes out to Ann and his family. Working with Mark over the years at the processing center made an otherwise dull job fun! His artistic ability coupled with his sense of humor was amazing. I will cherish the many caricature drawings he made of me and for me forever. My heart aches from this loss.

“ *My deepest sympathy to each of you. My family lived in Naylor in the 60's, my husband was the principal and Leroy was coaching. Charlene was my closest friend and our little boys spent many afternoons playing together. I have beautiful memories of Mark, he was the oldest one of the little guys, always so sweet. Love to you all, Ava*
