“ *Wes. & Barb: We are in St Louis, but wanted to express our sorrow for the loss of your father. I did not know him, but he must have been a great dad when I look at the handiwork he performed in moulding a great son and daughter. Isn't it great to know that there is a "hello"after "goodbye"!*

“ *What a dear man Mark was. He will be sadly missed in the neighborhood. Everytime time I looked out my kitchen window and saw him in the field with Chloe, I would smile. He treasured that dog. Mark was precious and will be greatly missed. He now has gained the treasure we should all aspire to gain..eternal peace and life with our Lord. Bless you, dear man. Linda and Bill*
