“ Karen and family; Pat and I are sorry for your loss. We will miss him terribly and miss his jovial ways. I will especially mid the back and forth banter I always had with Dean, he was the only person with whom I could joke with and poke fun at each other in joking manner with out getting upset. He will be sorely missed by not only family but many friends.

“ Karen and All the family, so Sorry to hear of Dean's passing. I have a lot of great memories working with Dean at SEMO as painter under him. He was always pulling pranks on me, like putting paint underneath my brush handle when I laid it across my bucket. Lots of good times. Also had good times when I painted y'all's house couple years ago. Prayers for the family. RIP Dean. Will miss you.
