“ I wasn't even aware of her passing. I was just browsing, and happened to see this one. I really liked Lucille! She was just always just such a sweet person, and was one absolute favorite co-workers when I worked at Sam's Cub.

I don't browse obituaries often, nor do I look at many newspapers. It would had been imperative to have been there to not only pay my respects, but to say goodbye to one of the best people that I had the privilege to know in this lifetime.

This has been almost 2 years ago, now.

I just didn't know about this until now, and I'm sorry I didn't earlier! She was truly one of the best!

Rest in Peace Lucy!

I'll look forward to seeing you again, when I get there! That is, if I'm accepted into there too... 😊

“ I worked at Wards Big Star with Jim, Lucille, G. A. Underwood and Ethel Underwood. I have great memories of the times we were all together. You couldn't find a better bunch of people. Made you feel like part of the family. I hadn't seen Lucille for quite sometime till I saw her at Sam's Club a few years back. Was good to see her and catch up on the past few years. We could all tell some good stories of the times back then. My thoughts and prayers are with the family as when this time comes, it never is easy. God Bless.
