“ I only had the pleasure of knowing Martha for a very short while. She was my Mother's roommate at Monticello house for only a couple of weeks. What a ray of sunshine she was. I loved her spirit and her love for people and life. She shared her love of Mickey Mouse with us and promised to take care of my Mom while she was there. She proudly shared her beautiful wreaths with us and spoke so fondly of her own family. May the Lord Bless you during this time. With great sympathy, Rhonda Zacharias (Betty's daughter)

“ Martha was a child hood friend. She spent a lot of time at our home. She could always bring a smile to your face and make you laugh until you cried. She thought a lot of our parents and always called our mom to talk. We are the Norris twins and will always miss her.

“ Our sincere sympathy to the entire family. Martha was such a sweetheart of a person. We got to know her while visiting our mother (Alida) who is also at the Monticello House. We felt that Martha was a part of our family as well. Kathy & Darlene

“ I'm so sorry to hear of Martha's passing. We went to school together for many years at Washington School and on. When we were small we use to be next door neighbors down on Emerald Street. I didn't get to see her much but she has always been a good friend. I will have all of you in my prayers. Martha will be forever in my heart and fond memories. Take care and GOD BLESS you all!!!!
