“ Everyone: I am so sorry to hear of your mother, and my Godmother's death. I talked to her one afternoon not long after dad died and we had a very nice talk. I would come to the visitation and service, but I am having some health issues of my own right now. Know that she and you are all in my thoughts and prayers. To me, your mom was one of those few people with whom I have no doubt is at the head of the line at the pearly gates. Take Care, Daryn.
