“ *Diane, Debbie, Denise and Laura - What an amazing loving mother you had! Know that you and your families are in my prayers. I remember my times being at your house but the best memory that comes to mind is the many sled rides we took and when we returned your mother would always have the oven on to heat up the back porch and hot chocolate with hot milk to fill us up and make us warm. She is all warmed up with in the arms of the Lord. May she rest in peace. Love and my condolences to all of you.*

“ *Diane, Debbie, Denise and Laura, So sorry the weather is so bad, I will not make it out but want you to know I have many special memories from working with your Mom. One of her comments was she wanted to live long enough to see Michael and Sarah graduate from high school. She exceeded that and enjoyed all her grandchildren. They will always remember Grandma and probably quote her from time to time:) You all are in my thoughts and prayers. Would be there if weather would permit. Love you all, Florence ?*

“ Denise and family, What can be said when it comes to losing your mom or dad. We just went through this almost a year ago exactly with dad and the wound seems to be reopened a little each time someone we care about goes through the same loss. We are so sorry for your loss. Even though you think you're prepared ..you never really are. It hurts no matter how prepared we are but don't say goodbye, say until we meet again, because someday we will meet our family again waiting for us in the grand glory of God. May you always hold the fond memories close to your hearts because they will truly help you make it through. Janet and Danny Freeman

“ Aunt Mary, We will both miss you immensely & I will be forever grateful to have an Aunt & Godmother as caring and loving as you. One of the most endearing things I remember is how loving you were to not only me, but also all of your kids, grandkids and nieces & nephews. My one wish was for you to meet my beautiful wife, Josie, and you did at our wedding reception in Cape. That memory will last with us forever. We both love you and know that you are in a better place, but I wish we had had more time with you. Your nephew & godson, Chris
