“ *I am so sorry for your loss. Mary was my friend back when the Arnzen family consisted of Doug, Mary, Josh, Nathan and Natalie. They were our Strafford neighbors and we had some fun times together. They would come over and the kids would play in the creek. They were so young I don't know if they would remember. Mary loved her babies.*

“ Sweet Natalie and family, I'm so very sorry for the devastating loss of your mom. I remember spending the night with you at her house in high school and renting vhs movies that ended up being kind of terrible. She was beautiful, kind, and welcoming. I'll never forget that. Sending you all the comfort and intentions for peace now and in the coming days.

Hugs,
Beth Salmo

Mary and I were friend. We worked as Registered Nurses at Chateau Girardeau in Cape Girardeau. She was a very caring and compassionate nurse and was my Sponsor when I graduated from nursing school. I remember her smile and infectious laughter. I loved working with her because she was so caring to her patients. She was an excellent team member and helpful when you needed the assistance in tough situations. I am sorry for her loss as she was a wonderful friend. My sympathies to her to her children at this time. Rest in peace my friend and God bless.
