“ May the Peace of God and the Love of his Son Jesus sustain you. A mother's love will surely be missed. But the memories of that love will sustain you through the coming years.

“ Mommy, You are now walking on streets paved in gold and living in a mansion prepared by Jesus himself. You now have time to praise at the feet of Jesus and lay your crown at his feet. Jesus made your salvation possible and all attributes and all glory are to Him. Our weeping may endure for a night for you, however and our family will always have the joy that comes in the morning. Jesus is my reminder that you were saved, sanctified, and filled with the Holy Ghost and now you sit in the presence of our heavenly father with praise and thanksgiving. Without you, I would have no life. You were my reason for living. I will live each day with you forever in my heart. Love, Gwendolyn I will meet you and daddy again.

“ Val, Gwen, Debra, Nita and family; Ms Mary Penny(smile) as we fondly said her name will be missed by all who new and loved her. The Lord called her from Labor to Reward and she is now free of the troubles of this world! The sun may have set in her life but not the legacy she leaves behind for her girls and family. Hold onto to your precious memories in the days and weeks ahead. Place your hand in God's hand and he will see you through. Our family we miss her dearly.
