“ Dear Gene and Pete

Betty and I are so very sad to learn of Mary's passing. We first met Mary while doing our evening walks in the mall. We would stop and visit with her each evening that we walked. We learned that both Gene and Pete had been my student teachers. She always had a pretty smile and a kind word for us and we learned to love her and greatly appreciated the time together. You are in our thoughts and our prayers to strengthen you during this time. Love Betty and Gene Brunkhorst

“ *Mary Alice was a kind and gentle person. In the 1960's the Beach Boys were in Sikeston. Mary Alice invited me to go and we had a blast. I heard a Beach Boys song the day she passed. Prayers to the family.*

“ *Mary Alice was a dear friend all through school and after, frequently staying at my home, until I moved to another state.*

She had the most beautiful smile, that I've seen reflected in her son, Pete.

This next visit isn't one I'd hoped for but look forward to seeing friends and family, once again, May peace be with all of them at this time.
