“*Mary, (Yvonne, as I always knew her) was always a beautiful soul. We went through Washington Elementary, Central Junior High, and Central High School together. After graduation I only got to see her maybe twice a year, but she always greeted me with a smile and laughter. I loved that about her. No matter how difficult things were, Yvonne was an uplifting force for any and all around her. I will miss you Yvonne. God bless you and your family always. Connie Frazier Wilson*

“*Mary or (Yvonne) as I knew her was a Very Beautiful friend and I had known her since I started in Central Jr. High School and all through Central Senior High School. She always had a big smile and asked how whoever she met how they was doing and she helped me find our classmates of our graduating class and she would help in any way she could. Friends like Yvonne make the world a better place with her love and caring heart and her Sweet Voice. I will miss her a bunch but I know she is in a Heaven now and seeing the ones she has missed I am glad I got to know her and that she was a Friend of Mine. God Bless You Yvonne and your Family too. Our Graduating class says "Thank You for being such a loving friend to our Class"*

“ Il never forget the time I spent with you. It was nothing but laughter. We talked about the childhood momma and you had. You loved your bestfriend so much. And she loved you as well. I know she came to see you in peace. The love you gave holds deep. May you continue to watch over us. May your love continue to live through your children. Open strength your daughter never knew she had. Guide her and direct her. Hold your presence tolds her when she cannot sleep. May your sons never forget that you will always be their first love. May your grandchildren snd great always remember what they learn from you. May your family remember you will always Be here. Let them remember weeping my endured for a night but joy will soon come in the morning. No more pain no more suffering. You are now back to the old you. May we all never forget the good memories when we begin to get sad. Love you always J'La
