“ We're thinking of all of you and hoping great memories of Mary will help ease some of the sadness. I remember some cakes that Mary baked and decorated. I was so impressed at the details in the frosting.

I have fond memories of Mary's 90th birthday party.

As favors there were zinnia seed packets. I have zinnias that come up every year as volunteers from that original batch of flowers.

We wish we could be there- know that we're sending good vibes across the miles.

“ *I always enjoyed visiting Mary. I've lived across the street from her since 2012. I learned so much about Cape Girardeau from her! She knew so much history! I also enjoyed praying with her and reading a chapter in the Bible. I will miss her.*
