“ I am so sorry for the loss of your Mother and Grandmother. She was a lovely person and I am glad I got to know her as a mother of my students and then as the mother of my superintendent.

You will be in my thoughts and prayers.

“ I was so sorry to hear of the death of Mrs. Pannier. When I was a young girl, her family lived next door to us on Tulip Lane. I have fond memories of one year when we would go over to their house after school until my parents arrived home. She always had store bought cookies, a treat we did not have at our house, and I was thrilled when her son would ask her for some cookies and she would bring them down to the basement where we were playing. She was a kind person and as a child that is what I remembered of her.

This will always remain as a memory from having them as neighbors. I know you will miss her greatly, but know her love for you will remain.

“ Sending our deepest sympathies. The Kleinschmidt kids have fond memories at her home growing up, picnics and playing with her children especially horse back riding. Sure Darla was one of the first loved ones to welcome her home. Sending our love and deepest sympathies,

“ My oldest friend is no longer part of this world but she remains forever in my memories. From first grade through high school and beyond, we remained in contact through birthday and anniversary cards. Mary was never giddy or effusive, always calm and in control---drove me crazy. Hugs to Mary.
