“ I didn't know Mary personally, but I know Larry and Gladys. I know you have had a period of time to prepare yourselves for this moment in time, but it is still shocking. Console yourselves with memories of good times in the past. She has certainly been a busy lady. I'm sure she wouldn't want you to laze around and grieve, although they say that a certain amount of time for that is necessary for your mental health. I will keep her Spirit in my prayers and condolences to her family.

“ Mary will always be special to me not just because she was a Terrific kindergarten teacher but because she also had such a bubbly personality. In my mind she will Always be Mrs. Wooldrige because she was my kindergarten teacher at Clippard Elementary (then Hawthorne Elementary in 1972-1973) in Cape Girardeau. She then came to be friends with my Mom, Jean Graham. I was lucky to visit with her occasionally as a teenager, college student and an adult. She made a difference!

“ Mary was the "little sister" of one of my classmates at Kelly HS. In school Mary was always a gentle soul. Twenty years later we reconnected at a high school reunion and she was still the gentle soul. Life didn't change her. God Bless.
